REPUBLICAN MEETINGS.—A meeting of colored republicans of the Second ward was called at City Hall last night to endorse the republican independent ticket. The hall was rented by Messrs. H. M. Foltz, S. J. Wimsatt and others. Henson Dudley was called to the chair and A. B. Lucas, both colored, acted as secretary. There was a large attendance. About the time the meeting was organized Mr. R. H. Simpson entered the hall and was at once called on to make a speech. This was objected to by Mr. Wimsatt and others, but the meeting refused to hear anyone but Mr. Simpson. One of the colored men said there was a big snake in camp and some one would get bit. Much excitement ensued and Mr. Henry Harper approached Mr. Simpson and endeavored to take from him a set of resolutions. A row seemed imminent when the chairman, who was in sympathy with the republican-independents, adjourned the meeting, and those opposed to Mr. Simpson making a speech, left the hall regardless of their order of going, their departure being accelerated by a big colored man named Henry Johnson.

The hall was then re-rented by Mr. Simpson's friends when another meeting was held with Henry Johnson in the chair. Speeches were made by Mr. Simpson and Chas. Jackson. Jackson told his hearers that by this time they ought to be tired of being led by such men as had gotten up the "Independent" ticket, and that the colored men were being made tools of to advance the interests of men who had no real regard for the negro.

Mr. Simpson exposed the whole star chamber method of getting up the republican-independent ticket and said there was not a genuine republican name on it. He said the colored men had not been consulted at all, and that the way the ticket had been gotten up was an insult to every intelligent republican—white or colored—in the city. He then presented the following resolutions, which were unanimously adopted, and the meeting, which was one of the most amusing held in this city for a long time, adjourned.

Whereas certain dissatisfied democrats, at a secret meeting from which the colored voters were excluded, did place in nomination a ticket known as independent without consulting the republicans, and are now asking the support of the very men they have so insulted, be it

Resolved, That we, the republican voters of the 2nd ward, do now scorn their advances and pledge ourselves to do all we can to defeat the independent ticket at the polls.

The republicans of the Fourth ward held a meeting at Whiting Hall last night, called to endorse the republican-independent municipal ticket. There was opposition to the endorsement, and when it was made it was anything but hearty, and not till the council part of the ticket had been left off. For the Council ticket Magnus Robinson was endorsed for the Board of Aldermen and Edward Hughes, L. E. Under, Henry Snot and W. H. Whiting for the Common Council. The attendance was almost wholly of colored men.

Mr. Wm. McA. Green and wife, who have been visiting relatives in the city, left for their home in Kansas today.

Mr. Charles A. Cazenove, of Baltimore, was in the city on a short visit to day.

WARD MEETING.—The democrats of the Third ward held a meeting at the old Court House last night to nominate a candidate for the Board of Aldermen, a vacancy having occurred in that body by the resignation of Mr. J. R. Lambdin. Mr. R. W. Ballen, president and Mr. B. F. Penn acted as secretary and Messrs. George Bonitz and Malcolm Smith were the tellers. There was a large attendance and much interest was taken in the result. Two hundred and nine votes were cast and the ballot resulted as follows: Geo. H. Hinken 126, S. H. Lunt 49, R. H. Atkinson 21, and Worth Holifish 11. Mr. Hinken's name, it is said, was used without his knowledge. Mr. Hinken was declared the nominee of the democrats of the Third ward for the Board of Aldermen. The vacancy is to be filled on Thursday next at the general election. During the meeting a difficulty occurred between two men but neither was hurt.

THE CONFEDERATE MONUMENT COMPLETED.—The work of erecting the Confederate monument at the corner of Prince and Washington streets was finished to-day and this evening the bronze statue, "Appomattox," was raised to its position. The statue, which had been stored in the old Washington Hall building, was unpacked early this evening for inspection and found to be all right. It was again covered after being raised to its position and will not be exposed to the public view till the ceremonies on the 24th. The monument is of Richmond (gray) granite. The lettering is plain. It comprises the names of those who died in the service, under their commands' heading. The inscription on the face of the pedestal is:

Erected
to the memory of the
Confederate Dead
of Alexandria, Va.,
by their
Surviving Comrades.
May 24th, 1889.

Captain Mushbach, of the military invitation committee, has been informed that the First Virginia regiment will be unable to attend the ceremonies, as the members are now preparing for the regimental inspection which takes place on the 25th. The Bethel Cadets have also been forced to decline the invitation on account of school duties. The Washington Merchant Rifles, Capt. Costin, have accepted the invitation and will be present on the occasion.

YOUNG MEN'S CHRISTIAN ASSOCIATION.—The parlors of the association presented a beautiful appearance last evening, roses, mock orange and other flowers, being scattered around in great profusion. Owing to the smallness of the rooms invitations were almost entirely limited to the committee-men and committee-women of the association and the object of their meeting being to listen to an address on their work by Mr. W. E. George Wise, president. A very interesting and attractive musical programme was admirably arranged and carried out by Miss Libby Chapman. The opening hymn was "The Home of the Soul." Miss Reita Landrum gave some sweet instrumental music and Miss Ball a charming vocal selection. Mr. Wayne followed. Everything done in the association, he said, should be done under a committee. The success of the association depends on the success of each committee. Misses Johnston, Rathbone and Chapman and Mr. Smith rendered solos, and the Misses Rathbone a duet. A vote of thanks was tendered Mr. Wayne and the pleasant evening was closed with prayer by the Rev. J. M. Nourse.

FRIGHTFUL DEPRIVITY.—The Baltimore American says: Sergeant Jones returned to Baltimore yesterday from Alexandria, with a girl named Mary Augustine, whom he had taken from a house of ill-repute. The arrest of this child discloses a shocking story. Some time ago Mrs. Laura Russell, who is well known among the demi-monde of Baltimore, took Kate Augustine and her sister Mary, and her own daughter, a child of only twelve years of age, to a house in Alexandria. The woman took the girl Mary Augustine, but would not even consider harboring the child, saying she was entirely too young. Mary lived in the place some time, and took part in the life there with her sister. The parents of the child thought she was out at service somewhere; but when time passed and nothing was heard from her, they became uneasy, and told the police that their daughter was missing, and Sergeant Jones was sent to Alexandria, and found Mary. The girl is rather good-looking. Her eyes are large brown ones, and her face is quite pretty. She has dark hair, a well developed figure for a child of her age, and a pretty foot and ankle.

THE ELECTRIC LIGHT CONTRACT.—The Committees on Light and Finance of the City Council held a short meeting last night to examine the contract, prepared by City Attorney Brent, to be entered into between the city and the Schuyler Company for the electric plant which the latter is to furnish the city, and also the bond to be given the City Council by the Schuyler Company for the faithful carrying out of the provisions of the contract with the city. There was some little informality in the bond which required correction, and additional security was also suggested, which was promised by the representatives of the company who were present, and as a few days will be required to send the bond back to Connecticut, the members of the two committees took copies of the contract that they might examine it more carefully before signing it.

CONTRACT AWARDED.—The Committee on Schoolhouses and Furniture of the City School Board met at the office of the Alexandria Water Company this morning and opened the bids for making and hanging 64 sets of inside blinds like those in the Amidon building, in Washington, at the Washington building here. The contract was awarded to Wm. Gibson, whose bid was \$332.60. The other bids were as follows: B. F. Peake, \$345.40; John Standiford, \$380; Baker & Sutton, \$385.40; S. Stontenburgh, \$394; Cornelius Cummings, \$400; G. W. Jones, \$417.58; Alexander Lyles, \$426.66.

THE STRAWBERRY FESTIVAL. to begin next Tuesday evening in the lecture room of the Baptist Church, promises to be an entertaining and pleasant affair. Choice instrumental and vocal music will be rendered each evening. Among those who have kindly consented to sing are the Misses Evans and Misses Rathbone, all of whom took leading parts in the recent Cantata of Esther, Mr. Evans, an octette from the Arion Club, Miss Chapman, Mrs. Berkley, and Miss Montgomery, of Richmond. Mrs. Lizzie Barker, the accomplished organist of the church, is expected to preside at the piano. One of the novelties of the occasion will be the "Bag Table."

POLICE REPORT.—Last night was mild and clear till about 2 o'clock when it became cloudy. There was one prisoner and one lodger at the station house. The only case before the Mayor this morning was that of a colored man, arrested by Officer Ticer, charged with being drunk and disorderly. He was discharged after getting sober.

PROPERTY SALE.—It is understood that Maj. E. H. Janner, of this city, has purchased from the Enoch Pratt estate of Baltimore, the Frederick Foote estate in Prince William county, about two miles from Haymarket, containing 900 acres, for \$10,000.

FISH.—Since yesterday about 5,000 herring and 200 shad have been received at Fishtown. Herring sold at from \$2.00 to \$2.50 per thousand, and shad at from \$7 to \$9 per hundred.

A Scrap of Paper Saved Her Life. It was just an ordinary scrap of wrapping paper but it saved her life. She was in the last stages of consumption, told by physicians that she was incurable and could live only a short time; she incurred less than seventy pounds. On a piece of wrapping paper she read of Dr. King's New Discovery, and got a sample bottle; it helped her, she bought a large bottle, it helped her more, bought another and grew better fast, continued its use and is now strong, healthy, rosy, plump, weighing 140 pounds. For fuller particulars send stamp to W. H. Cole, Druggist, Fort Smith. Trial bottles of this wonderful Discovery Free at E. S. Leadbeater & Bro's.
